## A BILL FOR

An Act to amend section three hundred twenty-seven point seven  
(327.7), Code 1946, relating to the application for a  
truck operator permit.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section three hundred twenty-seven point
- 2 (327.7), Code 1946, is amended by adding subsection numbered
- 3 five (5) as follows:
- 4 "5. A written approval of the state department of public
- 5 safety stating that the applicant has complied with the
- 6 prescribed safety regulations."

### EXPLANATION OF H. F. 18

Adding subsection five (5) to this section makes the obtaining of written approval of the Department of Public Safety stating that the applicant has complied with the prescribed safety regulations and condition precedent to the issuance of a truck operator permit.

Heretofore the commission was required to issue a permit and the operator was required to obtain such approval before he commenced actual operations. This was never done. This amendment will provide a practical way of assuring the enforcement of what appears to be the intent of the law.
